NOTICE

RURAL WATER DISTRICT NO. 5, ROGERS COUNTY

SERVICE DISCONTINUATION POLICY

JANUARY 1,2017 will begin a change in policy for the water district for NONPAYMENT OF MONTHLY BILLS. A delinquent notice will be sent out approximately 1 week prior to the first Tuesday of each month to allow every customer time to avoid an interruption in service and a costly discontinuation fee. Service Discontinuation will be done by locking the water meter out until such time as the bill is paid. The fee for Service Discontinuation will be \$100.00. Any lock that is cut or damaged by a customer will result in a \$75.00 fee and any damage to the metering device, radio device or meter box as a result of a customer's actions will result in a minimum \$250.00 fee. Please watch your bills for any PAST DUE NOTICE and for any DELINQUENT NOTICE.
